In line with the directions of the Registrar, Dr. NTRUHS, Vijayawada and G.O.RT.No.153 of Government of Andhra Pradesh reopening of college for 1st MBBS students will commence from 23/11/2020 on the following guidelines:

1. The Students should be divided into small groups preferably between the three departments and teaching schedule is planned accordingly. The students should be rotated between the departments on day to day basis.
2. Group discussions should be encouraged during morning hours and practicals should be conducted in the afternoon session or vice versa.
3. All students are instructed to maintain 6 feet distance, mandatory use of mask and carry sanitizer & soap for frequent hand washing.
4. All the students should be advised not to form clusters or groups and self monitor their health and report ill health (if any) to the faculty member immediately. They are also advised to follow respiratory etiquette strictly and not to spit in the corridors.
5. Everybody should install and use Arogya Setu App.
6. The mentor Faculty Members are requested to monitor students under their mentor ship for ill health or problem (if any) faced by them.
7. All students should be advised to stay within the campus only and not move out of the campus there by risking themselves to contract Covid-19.
8. The HODs of all three departments are requested to involve all their faculty members regularly in teaching activity and keep vigil on the events that are happening in their respective departments.
